BEING A MAGIC CITY PROMOTER. HOW IT WORKS

Recognised Q-dance Ambassadors (sold 10 tickets or more for previous Q-dance events)

You can pick up your first 10 Magic City tickets from the Q-dance office, located in Surry Hills, Sydney. Tickets can be picked up from the Sydney office only*.

*If you live interstate or too far from the Sydney office and you want to sell tickets please send an e-mail to promoters@magiccity.net.au with your details.

Non- recognised Q-dance Ambassadors

In order to collect your first 10 Magic City tickets, you need to collect the ticket money first and either hand it in person at our office (Surry Hills, Sydney) or transfer it via internet banking.

* *the exact address & bank details for money transfers can be found on the bottom of this guide.*

Once you've sold your first ten tickets, you will be recognised as an official promoter for Magic City and you will be able to pick up your next lot of tickets without handing in the money first.
